Re: Right-To-Know Request

Dear Mr. Musgrave:

Thank you for your records request sent this date regarding aerial drones, UAs, UAVs, and UASs. Please be advised that the Allegheny County Sheriff's Office is responsible primarily for courtroom security, the execution of judicial warrants and the transportation of those in government custody to and from court. This Office has acquired no aerial equipment, manned or unmanned. The Sheriff's office does not utilize such devices in the performance of any duties therefore this office has no policy, guidelines, or any other records responsive to your request.

As there are no records in the possession of this office that are responsive to your request, I submit that a full reply has been made under the Pennsylvania Open Records Law and consider this request closed.

Sincerely,
